SUMMARY

My name is Kanidtha. After I graduated from Chiang Mai University with a Bachelor of Science in Modern Management and Information Technology. I have enhanced my skills in Front End development through various online courses. I have also worked as a Front End Developer (Freelance Outsource) at Aquila Studio Company for three months, utilizing skills in React.js, Next.js, TypeScript, and TailwindCSS to develop website. I am highly motivated to improve myself and eager to learn new technologies to enhance my work further.

SKILLS

Programming Languages
- JavaScript
- TypeScript
